【3】 次の英文は、JimとSusanの会話である。会話が成立するように下線部(1)～(5)に入れるのに最も適当な英語を答えなさい。なお、下線部の長さは答えの長さとは関係ありません。

例)

Pat Good morning, Janet. How are you?

Jan Fine, thanks.

Jim: Where are you going?

Susan: I'm going to Dianne's house to help her pack for her move.

Jim: (1) _____ ?

Susan: Don't you know? She's moving to Japan next week.

Jim: Oh, I'm going to miss her.

Susan: (2) _____. You'll be seeing her again. She's only going for a year as our university's exchange student.

Jim: Really? (3) _____ ?

Susan: She applied at the Center for International Programs, did well on the Japanese test, and passed the interview.

Jim: In fact, I thought of applying but lack confidence.

Susan: Maybe, you should talk to Dianne. (4) _____ .

Jim: Then, I could study harder and try for it next year.

Susan: Yes you can. Why don't you come with me to talk with Dianne now?

Jim: (5) _____ ! Thank you. Let's go and help Dianne.

【4】 次の英文を読み、設問に答えなさい。

If a new study is to be believed, one's hard work and educational background may not be the only factors which (1) his or her economic well-being. After processing data from the UK's communication network and an index of economic *prosperity, researchers have concluded that financial success may depend at least in part on [①].

Research on the relationship between social networks and job prosperity is not new. In 1969, for example, graduate student Mark Granoetter sent mass mailings and interviewed people in Newton, MA, to find out [②]. His findings were similar to many others before and since. It is not our close friends but our "weak social ties" like acquaintances or friends of friends that are the best sources of jobs, because they can (2) us to new information and situations

< 出典：iCasey Johnston Ars Technica © Conde Nastを改変 >

*prosperity: 繁栄
